

Create your future at the forefront of business technology

Infor (Polska) Recruitment steps:

Step I – Applying

- Apply for the relevant job vacancy on our website www.infor.com/careers or www.pracuj.pl or send your CV to join@infor.com
- Your application will be shortlisted as soon as possible and analyzed by our recruitment team in relation to the suitability for the position applied.

Step II – Interviews

- Our recruiter will contact successful candidates who potentially meet our requirements to conduct a short telephone Interview.
- For the next step, we will invite you for a face to face meeting with our Hiring Manager where we verify your experience and skills according to the projects specifications and tasks.

Step III – Hiring

- If you are chosen for the position our Hiring Manager will contact you with a job offer and a mutually agreeable start date. Infor HR will send you an official e-mail with a letter of intent and other relevant documents.
- If you are unsuccessful this time, our recruiter will contact you with some helpful feedback.

Step IV – On Boarding

- In the first days of your work at Infor you will go through a series of on-boarding training courses to help you quickly become part of the Infor Team.

GOOD LUCK WE LOOK FORWARD TO MEETING YOU!
